This article lists the oldest free-standing buildings constructed in the world, including on each of the continents and within each country. "Building" is defined as any human-made structure used or interface for supporting or sheltering any use or continuous occupancy. In order to qualify for list a structure must:

List of oldest buildings - Wikipedia

Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.
