I love this site and all the ideas, it perks my creative side and makes my mind race at million miles to one. I just wish I did not live in a country where the exchange rate kills us, so I have to make do with freebies and adapt â€" but in all, I have learnt so much and just want to say thank you so very much for sharing your ideas.

Last couple of months, I've been getting tons of e-mails from people asking me what they should read in order to learn more about positive psychology.. Of course, I've been suggesting many positive psychology books written by the most esteemed positive psychology researchers. However, there are so many free online resources available that are worth reading, that I've decided to build up a ...
