

burning money the cost pdf

Money burning or burning money is the purposeful act of destroying money. In the prototypical example, banknotes are destroyed by literally setting them on fire. Burning money decreases the wealth of the owner without directly enriching any particular party. However, according to the quantity theory of money, because it reduces the supply of money it increases by the same amount the collective ...

Money burning - Wikipedia

Burning Man is an annual event in the western United States at Black Rock City – a temporary city erected in the Black Rock Desert of northwest Nevada, approximately 100 miles (160 km) north-northeast of Reno. The late summer event is described as an experiment in community and art, influenced by ten main principles: radical inclusion, radical self-reliance, radical self-expression, communal ...
