Book burning is the ritual destruction by fire of books or other written materials, usually carried out in a public context. The burning of books represents an element of censorship and usually proceeds from a cultural, religious, or political opposition to the materials in question.. In some cases, the destroyed works are irreplaceable and their burning constitutes a severe loss to cultural ...

During the Warring States Period, China was divided into various states - each of which had its own historians, writing over centuries their version of the history of their state and its relations with neighbors and rivals. Following Qin's conquest of all the others, Emperor Qin Shi Huang - on the advice of his minister Li Si - ordered the burning of all philosophy books and history books from ...
