Archaeological Society of South Carolina. Welcome to the Charleston Chapter! The Charleston Chapter of the ASSC aims to unite archaeologists, students, teachers, volunteers, and anyone else who shares an interest in the archaeology of the South Carolina Lowcountry.

Charleston Chapter - Archaeological Society of South Carolina

At the College of Charleston, that's exactly how we see archaeology. It's an important discipline on its own, but if coupled with another area of study, it can add unique insight and value to nearly any path you choose. Our archaeology minor is distinctly interdisciplinary, which means that it combines various academic areas.

The Beginning Of Charleston - Archaeological Conservancy

South Carolina Institute of Archaeology and Anthropology University of South Carolina We are always excited for the summer months when our education programs really kick off. One of the highlights each year is our Field Training Course (FTC). This course is intended to introduce divers to the science behind underwater archaeology. It is not

South Carolina Institute of Archaeology and Anthropology

Archaeological digs help answer questions about Charleston's history that documentary records alone cannot provide. Unlike history, which relies primarily upon written records and documents to interpret primarily the lives of the elite and literate, archaeology allows us to explore the lives of everyday people through analysis of the things they made and left behind.

Historic Charleston Foundation Archaeology Program in

Charleston is simultaneously a history of the city, a history of the city's historical archaeology, an overview of urban archaeology within a city occupied from the 17th century to the present, and a broad overview of how different types of archaeological evidence build interpretation. Part 1 offers introductory context for Charleston's ...
