Application Packet | Circles of Care

Circles of Care reserves the right to deny licensure of foster care or adoption applicants at any time during the licensing process. Foster and Adoptive Parents who apply with Circles of Care apply as potential providers to be licensed by Circles of Care. The licensing procedure is a "process" that involves many steps and has many requirements.

Circles of Care

This work examines the experience of women providing care to children, disabled persons, the chronically ill, and the frail elderly. It differs from most writing about caregiving because it focuses on the providers rather than the care recipients.
