

civil services state based pdf

The Civil Services refer to the civil services, the permanent executive branch of the Republic of India. The civil service system is the backbone of the administrative machinery of the country. In the parliamentary democracy of India, the ultimate responsibility for running the administration rests with the elected representatives of the people which are the ministers.

Civil Services of India - Wikipedia

The civil service in France (fonction publique) is often incorrectly considered to include all government employees including employees of public corporations, such as SNCF. Public sector employment is classified into three services; State service, Local service and Hospital service. According to government statistics there were 5.5 million public sector employees in 2011.
