Currently skill mix in primary care includes a number of different non-physician health professionals summarized in Table 1a, Table 1b. While there appears to be general agreement that transformation to multidisciplinary teams is necessary, the approaches to implementing primary care teams are highly varied (Bodenheimer and Laing, 2007, Nelson et al., 2010, Smith et al., 2010).

Skill mix, roles and remuneration in the primary care

Change the Script. Change the Script is a statewide program that connects town leaders, healthcare professionals, treatment professionals, and everyday people with the resources they need to face prescription drugs and opioid misuse.

Choose your certification to renew now. Why do I need to renew my certification? ANCC certification is

renewed every 5 years to provide evidence of the expansion of professional knowledge and evidence of continued competence in your certification specialty.

Renew your certification with the American Nurses

Achieving health system reform goals will turn on investing in the education of a 21st-century health care workforce. However, as the United States tackles the workforce shortage that exacerbates the stress in the health care system, nursing programs across the country are rejecting qualified candidates because there is not enough faculty to teach them.

Faculty Shortage - National League for Nursing
