## **codependency no more how pdf**

Codependency is a controversial concept for a dysfunctional helping relationship where one person supports or enables another person's addiction, poor mental health, immaturity, irresponsibility, or under-achievement. Among the core characteristics of codependency, the most common theme is an excessive reliance on other people for approval and a sense of identity.

## **Codependency - Wikipedia**

Codependency refers to a psychological construct involving a type of unhealthy relationship that people can share with those close to them. It was originally thought to involve families of substance abuse but has since grown to include other types of dysfunctional relationships. Read on to learn ...
