A general welfare clause is a section that appeared in many constitutions, as well as in some charters and statutes, which provides that the governing body empowered by the document may enact laws to promote the general welfare of the people, sometimes worded as the public welfare. In some countries, this has been used as a basis for legislation promoting the health, safety, morals, and well ...

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress; the executive, consisting of the ...

In The Lancet, Jeffrey Stanaway and colleagues 4 have made a major advance in addressing these challenges. Using the Global Burden of Disease (GBD) Study approach, which estimates the causes of mortality and morbidity and their relative importance, they have assessed the burden of disease caused by viral hepatitis from 1990 to 2013 at the country, regional, and global levels.
