

DOWNLOAD COMMUNICATIVE APPROACH TO THE TEACHING OF ENGLISH AS A SECOND LANGUAGE

communicative approach to the pdf

Communicative language teaching (CLT), or the communicative approach, is an approach to language teaching that emphasizes interaction as both the means and the ultimate goal of study.. Language learners in environments utilizing CLT techniques, learn and practice the target language through the interaction with one another and the instructor, the study of "authentic texts" (those written in ...

THREE MODES OF COMMUNICATION Interpersonal Interpretive

The approach to language teaching that can be broadly labelled as communicative language teaching emerged in the 1970s and 1980s as the emphasis switched from the mechanical practice of language patterns associated with the Audiolingual Method to activities that engaged the learner in more meaningful and authentic language use. Twenty years on it is interesting to look at the legacy of the ...

Teaching approaches: the communicative classroom

"Any given method is only as effective as its implementation." Grammar-Translation Method (1890s-1930s): Around the turn-of-the-century, language students often translated cumbersome volumes from Classical Greek or Latin into English via this approach. It consisted mainly of exhaustive use of dictionaries, explanations of grammatical rules (in English), some sample sentences, and exercise ...

Functional theories of grammar are those approaches to the study of language that see functionality of language and its elements to be the key to understanding linguistic processes and structures. Functional theories of language propose that since language is fundamentally a tool, it is reasonable to assume that its structures are best analyzed and understood with reference to the functions ...
