Connected Mathematics 2 (CMP2) is here! The next generation of your favorite NSF-funded middle school program provides students with an investigative approach to learning mathematics.

Pearson Prentice Hall - CMP2

In mathematics, and more specifically in graph theory, a graph is a structure amounting to a set of objects in which some pairs of the objects are in some sense "related". The objects correspond to mathematical abstractions called vertices (also called nodes or points) and each of the related pairs of vertices is called an edge (also called an arc or line).

Mathematics Standards Mathematics Florida Standards were approved by the Florida State Board of Education on February 18, 2014. In response to public concerns.

Mathematics

Mathematics is a discipline whose basic ingredients are numbers, shapes, and algebraic relationships. Logical reasoning is used to study the properties of these objects and develop connections between them.
