Dehumanization or an act thereof can describe a behavior or process that undermines individuality of and in others. Behaviorally, dehumanization describes a disposition towards others that debases the others' individuality as either an "individual" species or an "individual" object, e.g. someone who acts inhumanely towards humans.

### **Dehumanization - Wikipedia**

A power of attorney is a legal document that allows someone to make decisions for you, or act on your behalf, if you're no longer able to or if you no longer want to make your own decisions.

In information systems, a tag is a keyword or term assigned to a piece of information (such as an Internet bookmark, digital image, database record, or computer file). This kind of metadata helps describe an item and allows it to be found again by browsing or searching. Tags are generally chosen informally and personally by the item's creator or by its viewer, depending on the system, although ...
