The ABC of Copywriting 5 What is copywriting? There are probably as many definitions of copywriting as there are copywriters. Every copywriter's work is different, as is the way they approach it. My own definition is: Copywriting is the optimum use of language to promote or persuade. Now, let me unpack the elements of this definition.

The ABC of Copywriting

If you're like most Internet marketers, you wouldn't hire a copywriter for most of your projects and for good reasons, too. First, you know that most of your projects are simply too small to bring in a high-powered copywriter and pay them \$50-100 per page. And second, few others know your product and your market as well as you do.
