"Management Essentials" is a course that's designed to help new and recently appointed managers better  
understand their role in leadership. Through this course you will find out exactly what you need to learn about  
managing teams, as well as whether you can recall the information at the end of each lesson, and how to  
apply this information to your specific situation.

Accounting rate of return, also known as the Average rate of return, or ARR is a financial ratio used in capital budgeting. The ratio does not take into account the concept of time value of money. ARR calculates the return, generated from net income of the proposed capital investment. The ARR is a percentage return. Say, if ARR = 7%, then it means that the project is expected to earn seven cents ...
